Please help w. a copy
of the enclosed long survey
was sent to you some time
ago and we haven't yet
received your response.

It's likely that in the

work of your historic schedule
and the vacation season, you
may not have had a chance
to complete it. It addresses
the important issue of pain
management, and your
input is really needed.

If you can possibly
find a few moments to

complete the questionnaire,
we would greatly appreciate
it. Thank you for your
consideration.

Sincerely,

Michael A. Cappiello, MD
